

World School Milk Day 2025!

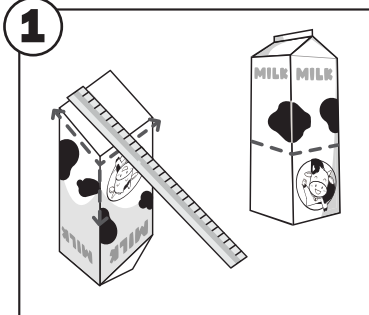

Dairy Gives You Go!
For strong bones and moves!

Big box dice

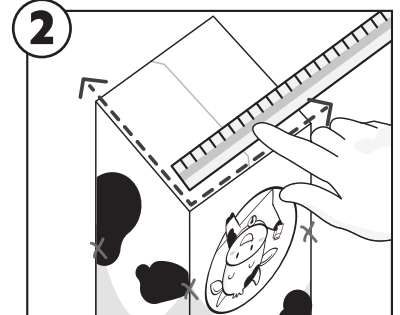

What you will need:

- A square milk or amasi box
- Pair of scissors
- Sticky tape or glue
- Ruler (Optional: coloured paper or paint, to cover the box.)
- Black marker (To make the dots on the dice side)

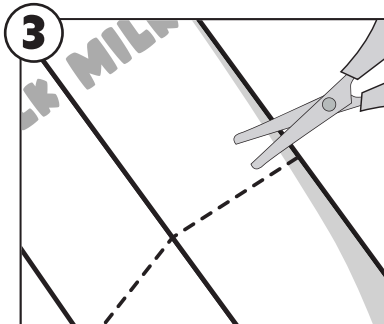

Instructions:

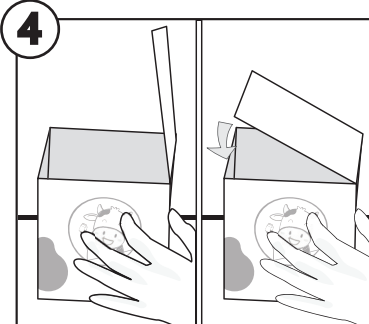

Measure the width of the base box .

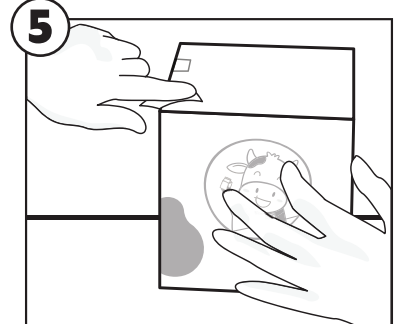

Mark three sides of the box with the same measurement.

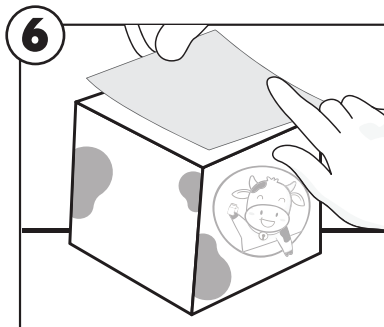

Cut along the line, and keep the back for a lid for your dice.

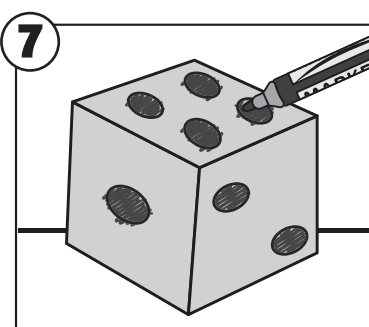

Fold the lid into of the box dice to close the box.

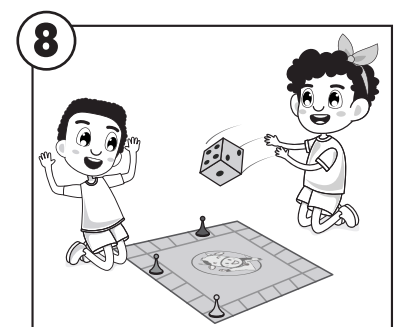

Keep it in place with sticky tape, or glue.

Paint or cover the sides of the dice with paper.

Draw the dots on the sides of the dice.

Have fun and play any board game!
